POSTMASTER: Postage for forwarding and return guaranteed by sender.

SHIPPING INSTRUCTIONS

Transportation. All stock in this catalogue is shipped transportation collect. Our margin of profit at the prices quoted, is too narrow to permit payment of shipping charges.

Mail Shipments. If you wish your order by mail, please include sufficient postage. Will include extra plants to cover any surplus. 3% Sales Tax on Washington orders.

Express Shipments. If you live beyond 3rd zone, we recommend express shipments. Plants travel 2nd class just as cheap as mail. Please give express office.

Small Orders. Would appreciate orders amounting to at least \$1.00 or more as small orders are filled at a loss.

ROSES

SPECIAL NOTICE. The rose crop is very short and they are hard to get. Wholesale prices are up 40%. We had to increase our prices likewise but they are still a bargain, and will sell fast so get your order in early. We didn't begin to have enough for the late customers last year. We personally selected the following varieties in the big rose fields at Portland and can recommend them all. Will bloom first summer.

We reserve the right to substitute a rose of equal or better quality in the sets should supply become exhausted. **PLEASE ORDER EARLY WHILE STOCKS ARE COMPLETE.**

These prices are for 2-year-old bushes, No. 2 size.

PRICES 25c each. Your selection any rose in sets 1-2 or 3; 5 for \$1.00.

Postage and packing 5c each.

COMPLETE SETS. \$2.00 each. No half sets. No changes.

Postage and packing 25c per set, zone 1-2-3.

CHRYSANTHEMUMS

Chrysanthemums are fast becoming the most popular of flowers. People are beginning to find that no matter where they live that they can raise Chrysanthemums if they choose the right varieties. Even in Alaska they raise some varieties of this flower. If your season is very short would recommend that you choose from list No. 1 and 2, with maybe a few from the others for trial.

NEW ENGLISH CHRYSANTHEMUMS

BE SURE TO READ—During the last two years we have imported a large number of hardy English Chrysanthemums from Canada. These are by far the finest Chrysanthemums that we ever grew. We had hundreds of people view them while they were in bloom this past fall, many of them coming from quite a distance. One of the nice things about them is that they are all early. The dates given is the time they start blooming. However it will vary some in different localities. **If you made a list last fall when they were in bloom and you do not find them all listed here write for prices on same. Varieties that we do not have many of we are not listing. If you do not know which ones you want and wish to leave the selection up to us we will send seven all different for \$1.00.** Prices are per each. Please mention several second choice. Last year the demand for these was so great that we couldn't fill all the orders.

	Price each
AMBER EUTOPIA. Fine large light amber. Grand flower.....	Sept. \$.30

CRIMSON STAR. New striking red, 10c each, 3 for 25c.

MIXED COLORS. 10c each, 50c doz.

Bleeding Heart

The old fashioned Dicentra that your grandmother grew. Plants covered with panicles of red heart-shaped flowers. One of the most popular flowers. Clumps, 25c each; 3 for 50c; 8 for \$1.00.

Lupine

RUSSELLS. The finest of all the Lupines. Wide variety of colors from cream to red and blue. Very beautiful when in bloom and many are easily worth \$1.00 each.

MIXED COLORS ONLY, 20c each; 8 for \$1.00.

DELPHINIUM

PACIFIC HYBRIDS. A new strain of Delphinium, originated in California. This is positively the most beautiful of all the Delphiniums. Flowers are large and double. The colors just can't be described. We can't urge you too strongly to include some of these in your order.

Prices, 1 year large clumps, 20c each, 5 for \$1.00

HEMEROCALLIS

The Improved Day Lily

This fine perennial is coming more in favor each year. The many new varieties have increased its popularity by leaps and bounds. Beginning to bloom in June and continuing until frost, they furnish a constant source of blooms through the summer. Great progress has been made by plant breeders in the last few years and the new varieties are truly beautiful.

We offer the following new varieties:

ANNA BETSCHER. Orange yellow flowers shaded reddish bronze.	\$.50
BAY STATE. Deep yellow with fluted petals.	.40
CALYPSO. Large pale lemon yellow.	.35
D. D. WYMAN. Golden yellow. Tawny splashed petals.	.40
